**Annex 7: Declaration of bidder consortiums** (only to be completed by bidder consortiums)

Bidder consortiums and other joint bidders are treated the same as individual bidders.

It is not permissible to form new bidder consortiums or change existing ones once the bid process has come to an end. Furthermore, members of bidder consortiums cannot simultaneously take part as individuals in the call for tenders. Such behaviour will be considered as inadmissible agreement to restrict competition and will lead to disqualification in the case of both bids. The same applies in the event of a bidder taking part in several bidder consortiums.
